CAMPAIGNING FOR A BETTER BRITAIN

Britain First is a well-organised patriotic campaigning group that can - and does - fight back effectively against the politically correct madness that has infested our society.

Britain First helps people to organise so their voices can be heard by the out-of-touch politicians who are often quick to ignore the people who elected them - people like you!

Britain First is a volunteer-led group that wants to empower the man and woman on the street and to ensure that British families are no longer treated like second class citizens. It's time that decent, law-abiding, hard-working Brits had their voices heard!

Isn't it time we took our country back? Take the first step by calling Britain First, today! Please ring 0208 914 8212 or visit www.britainfirst.org

Muslim Grooming Scandal: TIME TO SPEAK OUT & TAKE ACTION

IN towns and cities all over Britain, there is a hidden problem of Muslim paedophile gangs targeting underage non-Muslim girls for sexual exploitation. This problem is called 'grooming'.

The Sikh, black and local English communities have all spoken out about this disgusting but largely *ignored* problem.

As of yet, the police and media have been extremely reluctant to take action for fear of being

labelled 'racist' - the innocence of children is being sacrificed on the high altar of 'political correctness'.

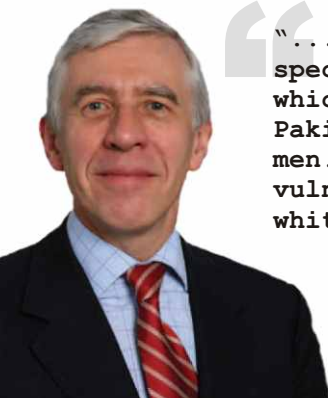

The grooming of children for sexual exploitation is always wrong no matter what community the abusers belong to.

In grooming hotspots, groups of Muslim men lure young English girls (some as young as 12) with cash, alcohol, drugs, meals and mobile phone credit in exchange for sex.

Charlene Downes: groomed, raped and murdered by a Muslim gang and then her body was minced into kebabs.

"...there is a specific problem which involves Pakistani heritage men...who target vulnerable young white girls."

Top detective blasts 'culture of silence' that allows Asian sex gangs to groom white girls... because police and social services fear being branded racist.

"White girls are being groomed on the street for sex abuse by Asian gangs...Cops claim many in authority are afraid to discuss the abusers' race through fear of being branded racist."

HOW YOU CAN HELP!

Britain First is a campaigning organisation, rather than just another political party. Britain First is here to help you make your voice heard. Instead of campaigning to get someone elected, we are here to help make sure that politicians are made to

listen to what *you* really want! By getting involved with us you can take action to stop Muslim grooming by adding your name to thousands of others who want something done. Alone, your voice is lost, but *together* we can make a real noise about this scandal.
